Hello,

The local church parish in Galena, Alaska is hosting our annual Christmas bazaar on **December 10, 2022, at 1-3pm at the SHS gym.** We are a small parish in rural Alaska and continue to depend on the support of the community, volunteers and organizations who understand the importance of giving and sharing within the community.

There is a small group of volunteers who plan this annual event, which is the largest fund drive for our local church, St. John Berchman Catholic Church. We set our goals high and hope to reach out to many organizations who can contribute to our ambition wishes to prove continuous support to our annual fund drive.

We are seeking any donations; we would appreciate a gift certificate or gift package of your choice. It can be addressed to the church information, listed above, attention 2022 Bazaar, or emailed to the name below.

Any contribution would be greatly appreciated, and we would make it a raffle item to sell during the one-day event that significantly increases our annual fund drive contributions.

Thank you and God Bless,  
Shirley Cleaver - Volunteer
