**Request for Bids  
Ptarmigan Electric Water Heaters**

Bids requested to provide goods and services related to the installation of a supplemental water heater in the Ptarmigan Hall building. The supplemental heater will provide domestic hot water to 31 dorm rooms during the summer months when the district heating system is offline. All bids must be received by **3:00 P.M. April 29, 2024**. Bids received after this deadline will not be considered.

The project consists of furnishing all labor, materials, equipment, tools, supervision, and other facilities necessary to perform the desired services. The work includes, but is not limited to the following:

Installation of new water heater(s) capable of meeting projected demand. Full integration with the existing system including all required piping and shut off valves to allow the steam water heater to continue to provide sole service when the district heating system is online.

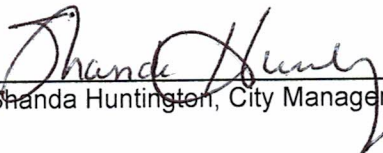

A more detailed description of the work, may be obtained by contacting:
