JOB ANNOUNCEMENT

Posted December 1, 2025

Position: Power House Operator – Rover

Classification: Range 16 Part-Time

Reports to: City Manager

General Position Description: Operate diesel generators and 4160 volt switchgear. Training will be provided.

Specific Duties and Responsibilities:

- Operate generators and switchgear efficiently and safely – start, stop, and change generators as necessary.
- Take hourly reading to monitor and document generator and equipment operation.
- Perform cleaning and routine maintenance activities, and assist mechanic as necessary.
- Other duties as assigned.

Qualifications: High school diploma or equivalent, reliable work history and valid driver's license. Generator, heavy equipment, or electrical experience is desirable.

Characteristics:

Highly motivated, self-starter, attention to detail, responsible, punctual and dependable, and must be able to work well under pressure.

City application must be received by the City by December 16, 2025 before 5 P.M. Deliver to the City of Galena office or email shuntington@ci.galena.ak.us. Applications can be picked up at the City.
