Availability for Public Review: Draft Compatibility Determination for the Iron Dog snowmachine race on Koyukuk National Wildlife Refuge.

Koyukuk National Wildlife Refuge has prepared a draft Compatibility Determination (CD) for issuing a special use permit that would allow the Iron Dog snowmachine race to operate on U.S. Fish and Wildlife Service lands within the refuge.

We invite the public to review the draft CD and provide comments on how the proposed activity may affect the purposes of the refuge and/or the mission of the National Wildlife Refuge System.

The Draft Compatibility Determination is available:

- Online at: <https://www.fws.gov/project/irondog-cd>
- In hard copy at our office: 101 Front Street, Galena, AK 99741-2870

Public comments will be accepted through May 28, 2026.

How to submit comments:

- Email: Kanuti@fws.gov
- Mail:
Northern Interior Refuge Complex – Refuge Manager
